

## *Save the date - Call for papers*

2nd workshop on Environmental Finance for the Common Good

### **Diversity challenges for a sustainable Fintech**

13-14 April 2023

A hybrid workshop supported by the COST Action CA19130 and hosted by the Department of Economics and Management, University of Pavia

#### **AIM AND TOPICS**

This is the second edition of the Workshop in Environmental Finance for the Common Good.

This year the topics addressed will be at the crossroad between sustainability, digitalisation and diversity in the area of finance and financial intermediation.

The organising committee welcomes submissions of unpublished papers on the following main areas and their overlaps:

- **Digitalisation**
  - Fintech
  - Digital financial services
  - Technological applications in the financial industry
  - Digital bank and digital insurance
  - AI in finance
  - Blockchain and DLT applications in finance
  - Cryptoassets and NFT
  
- **Sustainability**
  - Green finance
  - Green bond
  - ESG measurement and performance
  - Greenhouse emissions
  - Fairness of AI in finance
  - Sustainability in investment products
  
- **Diversity**
  - Gender diversity in digital financial services
  - Board of directors in financial intermediaries and companies
  - Other traits of diversity (e.g., age, nationality, background) and impact on financial services provision
  - Diversity and performance

Authors can submit more than one paper, but each author is required to present only one paper. The other can be presented by co-authors.
